MEMORANDUM FOR THE RECORD

SUBJECT: Conversation with the Secretary of Defense,
29 November 1979 [redacted]

1. We discussed his China trip. He would appreciate a memorandum from us on the situation in each of the following countries/areas: Northeast Asia, Southeast Asia, Afghanistan, Iran, Pakistan, and India.

We need not cover the military situation in great detail. He will rely on DIA for that. Instead, he would like a succinct treatment of the overall political, economic and military balance situations.

I thanked him for his willingness to take [redacted] along with him [redacted]

2. We talked about [redacted] center. I made the proposal that we send a joint team out to look at whether it should be at [redacted]. He thought that was a splendid idea. He thinks the primary criterion should be where we can get it established the fastest. [redacted]
